Exploring Strategic Collaborations in Retail, Premium Real Estate, and Wellness Beverages
日本企業との戦略的提携に向けたビジネスプロフィール

Udomkunnatum Family Businessの歩み (Historical Growth)

From retail pioneers to premium real estate and wellness beverage holdings (小売・不動産からウェルネスまで)

FOUNDER'S PHILOSOPHY

相互信頼と友情（クンナタム・ナムミット） & Value First

Our core value "クンナタム・ナムミット（相互信頼と友情）" (Mutual Trust & Friendship) aligns closely with the Japanese spirit of "Kyosei" (Co-existence) and "Sanpo Yoshi" (Three-way benefit). We create long-term value for consumers first; sales and profit naturally follow.

私たちは消費者のための価値創造を第一の目標と信じており、それが40年以上にわたる持続可能なビジネスの成長をもたらしています。

Business Pillar 1: Retail & Distribution (HomePro)

Unrivaled access to Thailand's top home improvements retail networks (大手小売市場を牽引)

Home Product Center PCL (HomePro)

ホーム・プロダクト・センター株式会社 (HomePro)

- **Market Leader:** Thailand's #1 home improvement retail chain. Publicly listed (SET: HMPRO) with strong financial backing.
- **Massive Footprint:** Over 100 branches in Thailand, plus growing footprints in Malaysia and Vietnam.
- **Japanese Brand Synergy:** Long-term partner distributing leading Japanese electronics, tools, and kitchenware brands to Thai consumers.
- **Strategic Advisory:** Mr. Manit continues to serve as Vice Chairman, steering retail strategies and partnership alignments.

Retail Space & Commercial Curation

Leveraging Manit's Robinson department store legacy and HomePro's massive retail footprint to scale lifestyle brands across Thai modern trade. Offers a direct pipeline for Japanese premium goods seeking rapid scale in Thailand.

Business Pillar 2: Premium Real Estate (Swan Lake)

Developing world-class luxury residences integrated with nature and wellness (自然と調和したリゾート)

Elysian Development Co., Ltd.

エリシアン・デベロップメント株式会社

- **Niche Developer:** A boutique developer focusing strictly on high-end, premium properties with unique eco-living concepts.
- **Environmental Focus:** Integrating deep reforestation, organic agriculture, and clean energy solutions into premium residential projects.
- **Strategic Land Bank:** Holding highly valuable land bank assets in top premium destinations: Khao Yai, Chiang Mai, Bangkok, and Phuket.
- **Agile Management:** Led by Ms. Rena, ensuring fast decision-making and strict quality control on architectural execution.

Luxury Real Estate & Hospitality Curation

Featuring Elysian's Swan Lake Khao Yai (3B+ THB eco-residential estate) and the massive Jungceylon Patong Phuket mall (200,000+ sqm) curated by Ms. Rena, demonstrating prime hospitality & real estate assets.

Business Pillar 3: Wellness Beverages (6ty Degrees)

Pioneering natural mineral water brand sourced from clean geothermal spring (プレミアム天然水ブランド)

6ty Degrees Natural Mineral Water

6ty Degrees 天然ミネラルウォーター

- **The Source:** Geothermal hot spring (60°C) in Chiang Dao, Chiang Mai, basalt-filtered at 300m+ depth. Certified by SGS, Intertek, and ALS.
- **Premium Composition:** Naturally heated to 60°C. Rich in 16 essential health-promoting minerals including silica and calcium.
- **Brand Position:** Premium wellness beverage brand targeting health-conscious consumers, upscale hotels, and global channels.
- **Export Ready:** Pure water quality meeting top international standards, prepared for worldwide shipping and premium distribution.

Healthy FMCG Expansion

Our wellness beverage expansion is anchored by the Chiang Dao basalt natural source. Sourced at 60°C, the water contains optimal minerals that guarantee an excellent, refreshing taste and therapeutic values. Certified by international labs, we are ready for global distribution.

Chiang Dao Facility: 1 Billion Baht Smart Bottling Plant

High-speed automated clean-room bottling facility imported from Germany (最先端のボトリング工場)

Smart Bottling Plant (Rare Beverage)

6ty Degrees スマートボトリング工場

- **German Technology:** High-speed clean-room bottling systems imported from Germany to guarantee zero human contamination.
- **Daily Output Capacity:** Currently producing 850,000 bottles per day (520ml and 1.25L bottles).
- **Future Products:** Next expansion phase includes premium glass bottling lines and sparkling carbonated mineral water.
- **Ecosystem Site:** The 18-Rai smart factory sits within a 300-Rai wellness forest land holding, ready for holistic expansion.

International Quality Certifications

■ SGS (Australia)

Verifies organic composition, mineral purity, and trace elements.

■ Intertek (United Kingdom)

Certifies absolute biological safety and absence of contaminants.

■ ALS (Switzerland)

Analyses therapeutic mineral content including soluble silica.

■ National Standards

Full compliance with Thai FDA, GMP, and HACCP clean manufacturing.

Our Strategic Value Proposition

Why the Udomkunnatum Group is the ideal local partner for Japanese business expansion
